Welcome and thank you for participating in the 25th anniversary of the Best Communities for Music Education survey.

Through this annual survey, the NAMM Foundation seeks to acknowledge and celebrate the commitment of schools and districts across the nation who act on their belief that music is an essential element of a well-rounded education available to all students.

Let’s get started.

Eligibility:

- You must be an individual school (public, private, charter, and parochial) in the United States with a music education program.
- Only one application per school.
- You must complete the entire application. Incomplete applications will not be included in our final review.
- All surveys must be submitted by the January 31 deadline.

There are two awards available. You may only apply for one award:

1. Best Communities for Music Education: this award is for school districts.
2. SupportMusic Merit Award: this award is for an individual school (charter, parochial, private) that serves students at various grade levels. If you would like to apply for this award, please fill out the BCME survey.

Note: For-profit after school programs are not eligible for participation for either award.

Please address each survey question as honestly, thoughtfully, and completely as possible.

All responses to the survey are confidential. The survey, its content and any related communication are private and are reviewed by the research and project team at The NAMM Foundation. Questions may be directed to: info@nammfoundation.org.

The survey will be available until January 31, 2024.
Once you have gathered the necessary data, this survey will take approximately 30-45 minutes to complete online. We encourage you to go to The NAMM Foundation website to print out a copy of the survey PDF, and gather all of the data before you begin entering information.

Instructions for filling out your survey:

1. Some questions are required, while others have been made optional. Required questions are marked with an asterisk*. It is in your best interest to complete as many items as possible. Questions left unanswered can affect your overall score.

2. If you'd like to leave the survey at any time, just click the "EXIT THE SURVEY" button located at the top right hand side of the page. As long as you are on the SAME COMPUTER and your browser’s cookies are enabled, you will be able to return to your survey in progress. Your responses will be saved and you can continue where you left off or edit your previous responses.

4. Survey responses are submitted when the "SUBMIT" button is clicked on the last page. Do not select this button until you are ready to submit the final application.

Questions? Please contact our Technical Assistance team at nammsurvey@gmail.com. Questions will be answered as soon as possible.

Thank you again for your participation!
